Summer show 2026

Submission form

Calling all creatives who are inspired by Epping Forest. How about entering a piece of artwork into our Summer 2026 show?

This year's theme is around the idea of colour and vibrancy within nature.

Perhaps consider how colour and light interact and change with the seasons. The vibrancy of Spring, the brightness of Summer, the starkness of Winter etc. Or a close-up detail!! Let your imagination run wild!

Have fun & we look forward to seeing your creations.

Please fill out the application form, attach a good quality image of your work and drop it in at:

Epping Forest Visitor centre at Chingford.
